DECORATOR/BASE COATING SYSTEMS

PTS—in partnership with *Unimaq* of the United Kingdom—is now offering full services in the Americas and Asia Pacific for Rutherford® decorator and base coater equipment, and parts too!

We offer high quality parts for inside spray systems, light testers, bodymakers, neckers, and spin flow machinery. Parts are made in the USA by qualified supplier with over 25 years experience in Reynolds Machinery equipment and parts supply. We supply 1000's of parts and stock many.

Our products and services includes:

- Decorators & Basecoaters
- 8-Color Conversion Kits
- 6-Color Conversion Kits
- Quick Change Can Diameter Kits
- OV Units
- Inkers
- Vacuum Infeed Systems
- Transfer Units
- Complete Installation and Servicing and Training
- Machine Audits
- Spares Parts

One year warranty for material and workmanship.

ABOUT OUR PARTNERSHIP

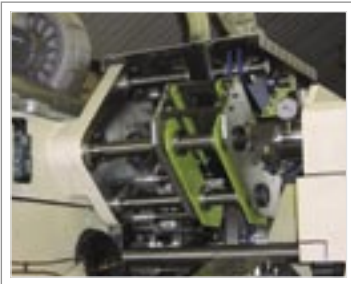

Unimaq is the new name for *Display Consultancy*, an independent global leader in all aspects of beverage can print technology. In the last ten years alone, they have taken engineering excellence to can manufacturing plants worldwide and now they have doubled their workshop capacity in the UK to help meet the demand for their wide range of services and solutions.

PTS—founded in 1996—has extensive experience in the can making industry. Founded by Michael Palmer, who is a BSMET graduate in Mechanical Engineering. Based in Chicago, PTS has network of local representation in Asia, Brazil, China, Mexico, Taiwan, and Venezuela.
