PRECISION INKER ROLLS

Palmer-Tech Services has launched a new inker rolls series for *Rutherford* and *Ragsdale* decorators. PTS is offering high purity black urethane for high-speed applications. Our rubber compounds have been thoroughly tested in 2400 CPM plus applications and have the highest quality ink transfer and excellent wear life. Our rolls are precision-ground within 0.001" TIR and include bearings and collars.

One year warranty for material and workmanship.
